Ye are the light of the world. A city that is set on a hill cannot be hid. Neither do men light a candle and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works and glorify your Father which is in Heaven. Matthew 5:14-16

God is "not willing that any should perish, but that all should come to repentance." (II Peter 3:9) In His unwillingness for any to perish, He has raised up a preacher to hold high the truth revealing light of the Gospel.

God led Pastor James A. Scudder to Chicago some 15 years ago. All he had at the time were his wife and two babies. One small family sent to Chicago to light the way for many. Pastor Scudder was faithful with what God had given him, and slowly but surely, the flames of truth spread.

His faithfulness has resulted in the establishing of the Quentin Road Bible Church. The church ministries have grown to include a Christian School, year-round Christian Camp, and a Bible College. These ministries have proven to be volatile fuel for the light spreading flames of the Quentin Road Bible Church.

Eventually we hope to light this world on fire with the Gospel of Christ. Through the dedicated leadership of Pastor James A. Scudder, we expect to see this vision fulfilled.

est. 1971

The Quentin Road Bible Church started out in a store front on Fullerton Avenue in Chicago. At that time called the Chicago Bible Church, it was soon to move to a rented suburban gym, and eventually (1973) to 721 South Quentin Road in Palatine. It was there that the church was re-named and settled in place for ten very fruitful years. As the Lord added blessing upon blessing and ministry upon ministry, the Church soon outgrew its buildings and began to seek a new home. Through the guidance of our Almighty God, the Quentin Road Bible Church was able to pur-

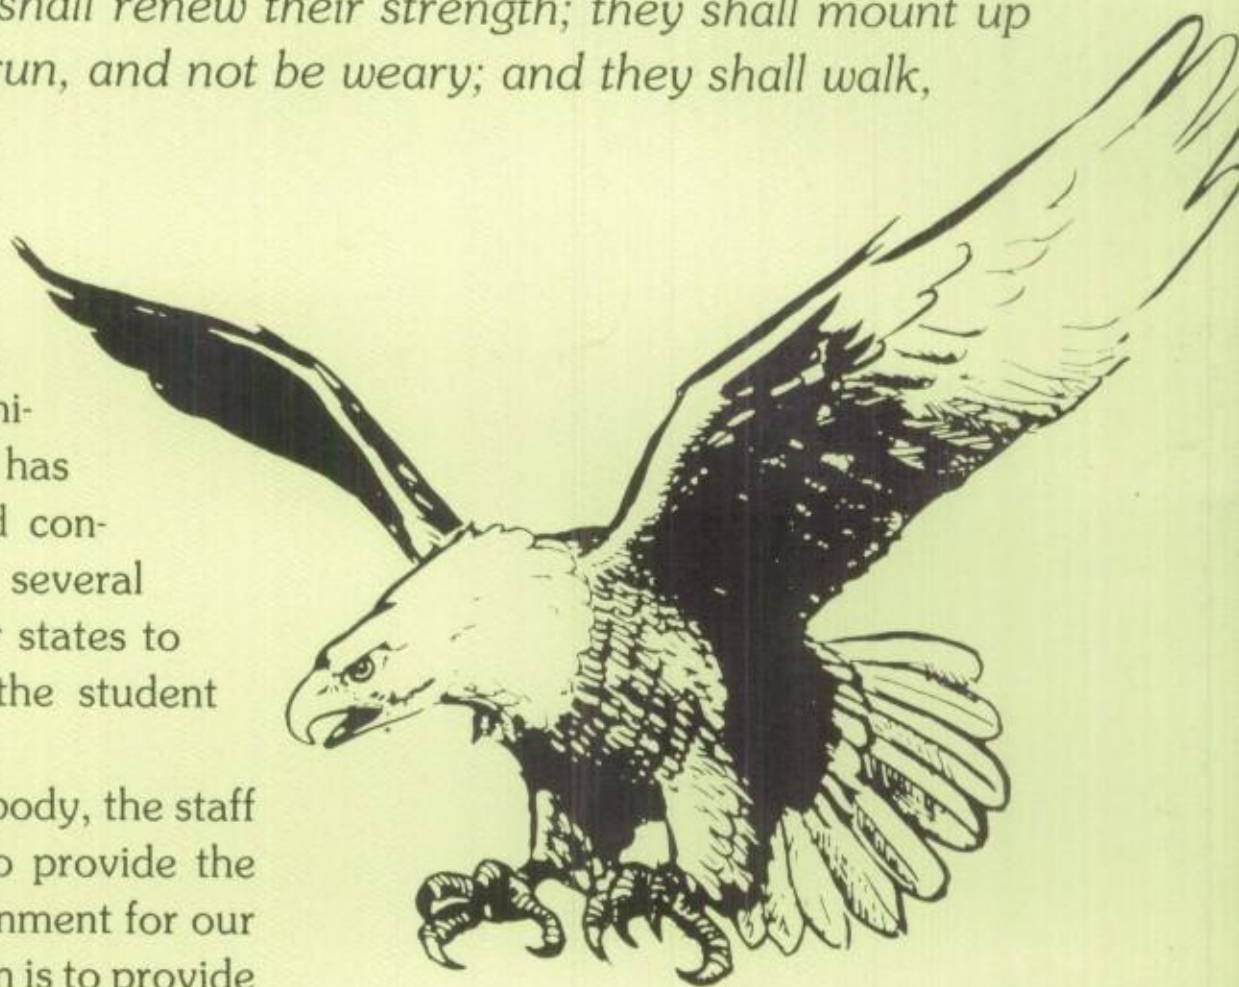

chase 40 acres of land in Hawthorn Woods during the spring of 1984. With a mind to work, the congregation whole-heartedly joined together in the actual building of the present facilities and completed the monumental task in less than three months.

Since its completion, the 25,000 square foot building has been utilized to its fullest as the ministry here continues to be blessed and fruitful. It is truly exciting to imagine the things God must yet have in store for the Quentin Road Bible Church.

"They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." Isaiah 40:31

The Quentin Road Christian School was opened to provide a Godly education for the youth of the Church and the surrounding community. Now in its eight year the school has experienced tremendous growth and continues to grow each year. This year several students have come to us from other states to add an almost 'national' flavor to the student body.

With the expansion of the student body, the staff has also increased proportionately to provide the absolute best possible learning environment for our children. The goal of every staff person is to provide for each individual child the guidance he needs to progress in all areas of life.

est. 1978

est. 1982

The Dayspring Bible College was established because the Quentin Road Bible Church believes a vital function of the local church is the equipping of saints to perform the perfect will of God. This requires both study and the opportunity to serve in a God-ordained local, New Testament church. To utilize every opportunity of service with appropriate

knowledge, we have designed an unique educational program to enhance an individual's God-given ability and opportunity to learn. This is accomplished through a highly individualized program of instruction with the assistance of an experienced staff.

Through this ministry we have seen the founding of the Calvary Bible Church in Louisville, Kentucky. The establishing of this Church last year is the "first-fruit" of DBC, just a small indication of the harvest to come. Even now we have a number of seniors and graduates planning to go forth unto the harvest in the coming year. Just as God is blessing the QRBC in an exciting way, He is also preparing DBC for an exciting future.

"For thou shalt go before the face of the Lord to prepare His ways; To give knowledge of salvation unto his people by the remission of their sins through the tender mercy of our God whereby the dayspring from on high hath visited us. To give light to them that sit in darkness and in shadow of death to guide our feet in the way of peace." Luke 1:76-77

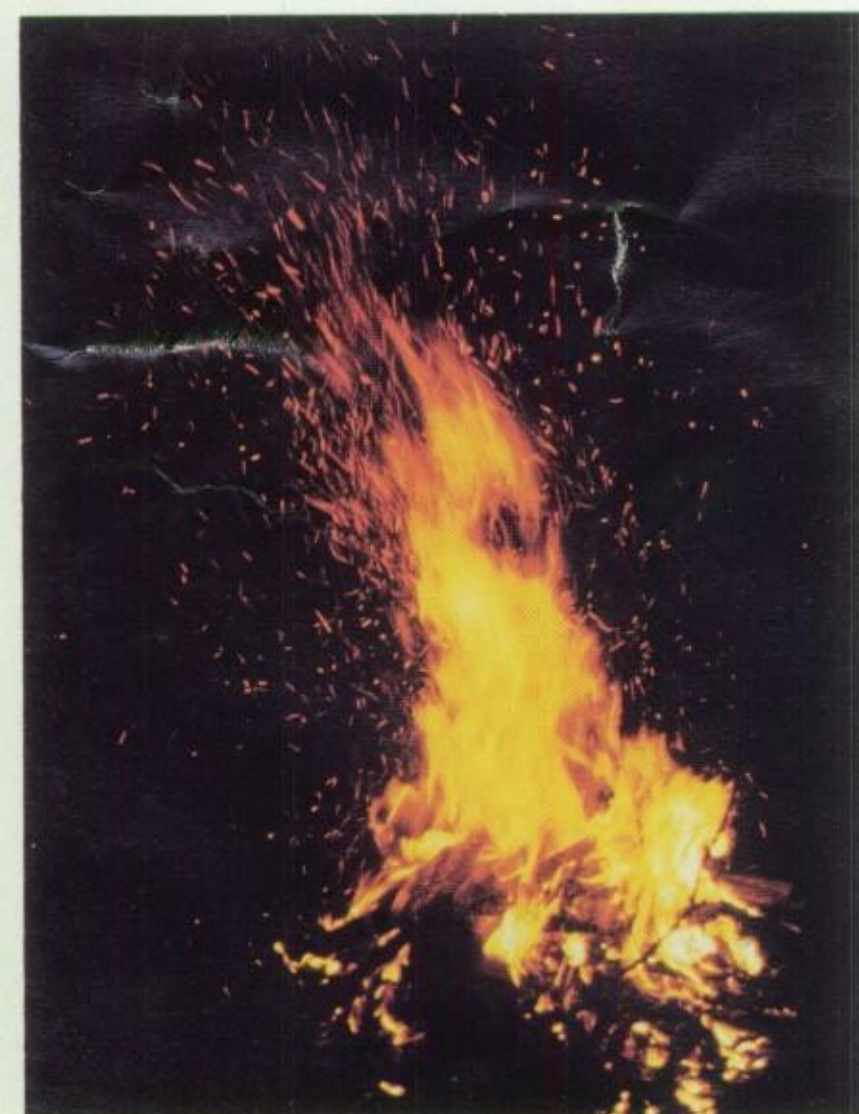

est. 1979

each year. The original site progressed from its simple beginning to include a kitchen and dining hall.

The Home Place Resort was purchased in the summer of 1985. The following year a dining hall and bathing facility were built there to accommodate all the camping needs on one site. Through the Home Place Resort, this ministry now offers year-round camping opportunities.

The Wilderness Camp ministry was begun to provide a natural setting for a summer camp and the Christian School's "Spring Lab." In the beginning the campers slept in tents and cooked over an open fire. As the years went by new facilities were added and improved

All of these ministries complement each other to make the whole of the Quentin Road Bible Church. Just as the addition of logs to the fire increases the light, so does the addition of ministries to the church. The potential for the spreading of the gospel increases with this growth.

Jesus said, "I am the light of the world; he that followeth me shall not walk in darkness, but shall have the light of life." John 8:12

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." Ephesians 2:8,9

Welcome Aboard!

Our new staff members are an exciting addition to our schools. We have added more staff to all departments from preschool through the Dayspring Bible College. It is a wonderful blessing to see the dedication and love these men and women have for their students.

Dedication to the Lord Jesus Christ has brought them to us. Each of these new staff members have a desire to see every student grow in the "nurture and admonition of the Lord." Ephesians 6:4

By taking a Biblical viewpoint as they educate, they are able to nourish the social, educational, spiritual, emotional, and physical growth of their students. In accomplishing this, each individual is encouraged to be the best he or she can be for Christ. The students are taught from Phillipians 4:8 that "Final-

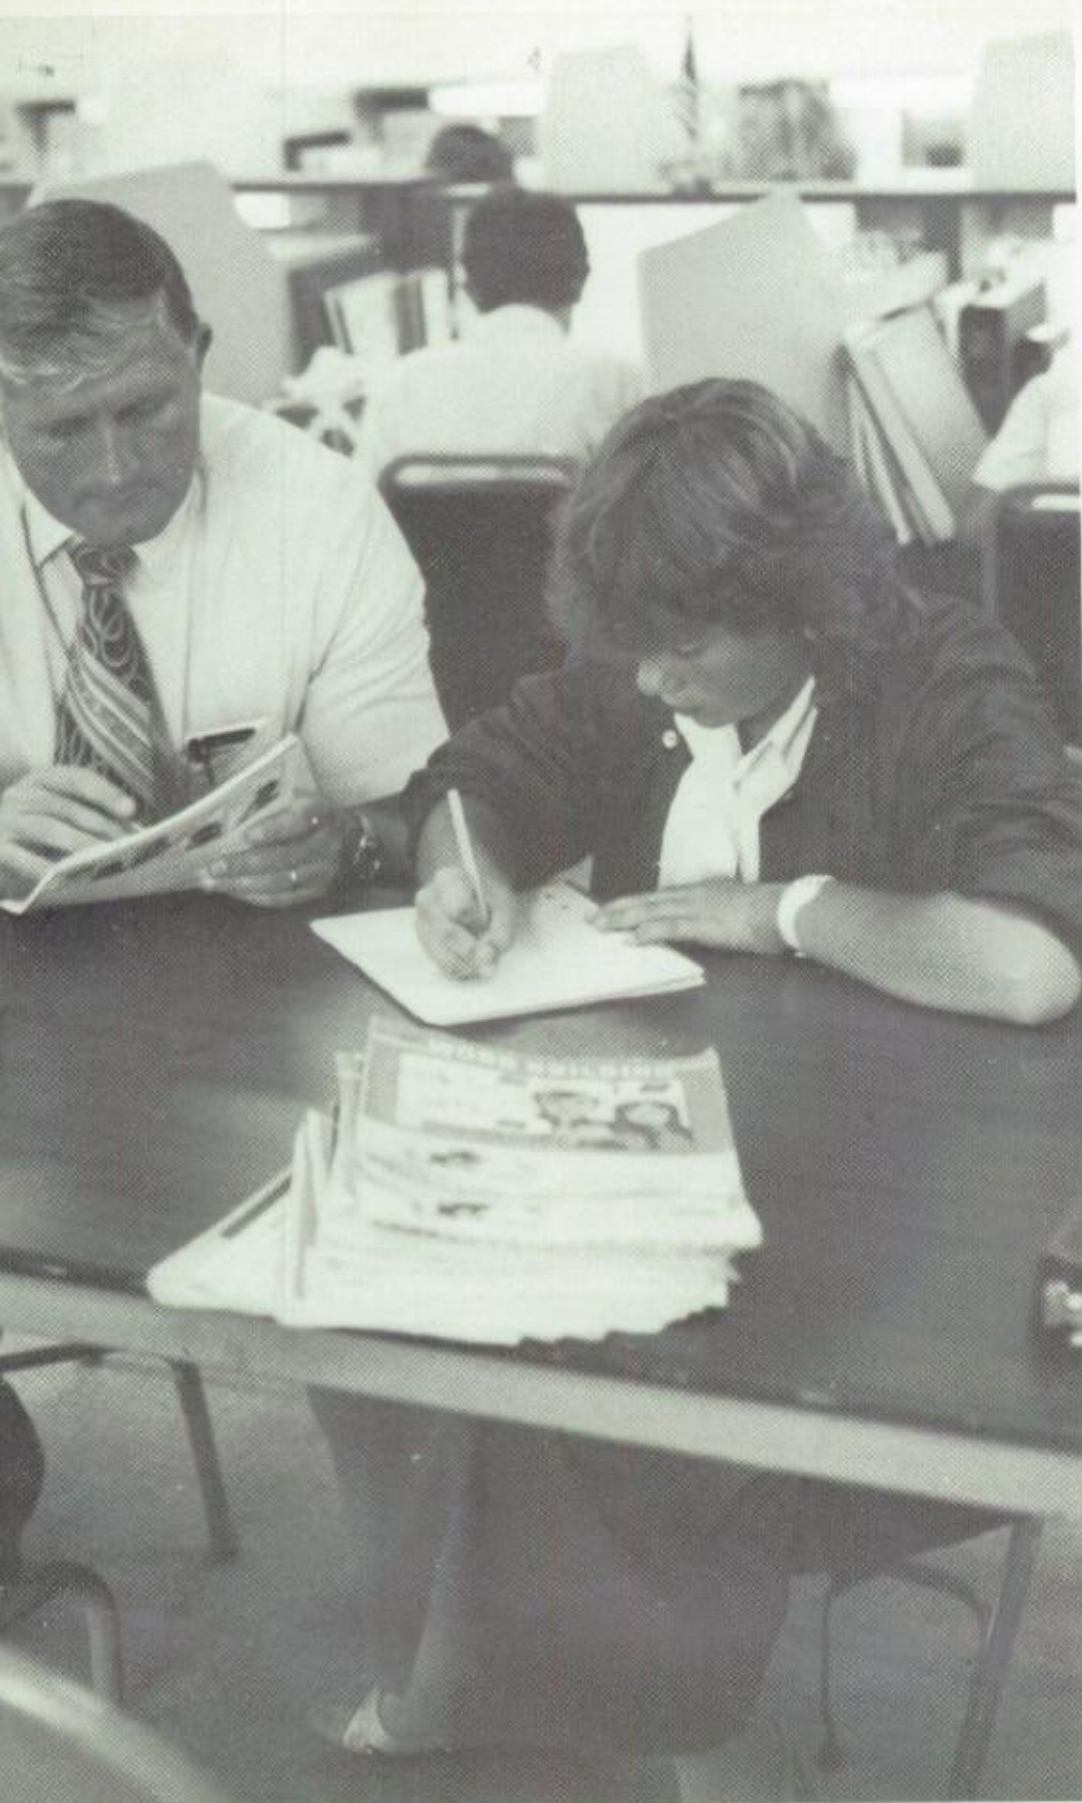

ly, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things."

By Christ's love, the desire of the staff is to "Train up a child in a way he should go: and when he is old, he will not depart from it." Proverbs 22:6. This desire creates a genuine care and concern which develops a quality and wholesome learning environment for the students.

The dedication of the administration and staff is what completes the quality programs at the Quentin Road Christian Schools.

DBC . . . On the Move!

Since it's founding in 1982, the Dayspring Bible College has been committed to providing a comprehensive, practical, and Biblical education to men and women who are serious about serving the Lord.

Comprehensive programs have been developed to educate the student in all areas of the Christian life. Starting with Biblical Introduction, a macro view of the Bible is studied. As the student progresses through his college career the course material becomes more intense and specialized.

The practical training at DBC is gained through participation in actual ministries. These ministries vary from youth work to visitation with many more beside. Dayspring students gain valuable insights as they actively participate in the planning and operation of the church ministries.

The comprehensive and practical Biblical education available at the Dayspring Bible College will equip men and women to serve the Lord.

"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing . . ." Psalm 126:6a.

Many activities contribute to sowing precious seed in each student; such as High School choir, Current Events class, and Spring Lab; which is time spent enjoying the beauty of God's creation at our camp in Northern Minnesota.

"School has taught me to discipline my time so that I can accomplish all that the Lord wants of me," says Susi Wichert.

Jumping With Team Spirit

High School Volleyball and Basketball

Players who love the Lord and their school are going to have an excellent attitude toward their sport and teammates. Being on a team takes encouragement from everyone . . . especially when it's your first year playing together.

Having "team spirit" is a reflection of the school as well as the players. If a person is truly in unity with his school's principles, his attitude will reflect just that.

"No pain, no gain!" These famous words from the mouth of our coach, Pastor Bill Adams, run through the minds of the basketball team as two members of the team push the Reehoff's green station wagon around the parking lot with Pastor Adams inside, cool glass of Pepsi in hand, and pumping the brake.

"Be thankful we don't have stadium stairs for you to run up and down!" Another famous quote from our coach! No need to worry Pastor Adams!

The volleyball team is very thankful that there are only three steps leading from the school wing. Those

stairs, however, were hard to walk up and down after our first practice!

All of this for winning, right? Actually, all of the players realize that their main goal is to win others to Christ through their games. It is understood in each of the players' minds that one soul is worth more than the whole world.

Pastor Adams encourages each player to play up to the highest of his ability. "If you deserve it, you'll be in the starting line-up!" or maybe he'll say, "Cream always rises to the top, I may not notice you now but work hard and you'll be at the top!"

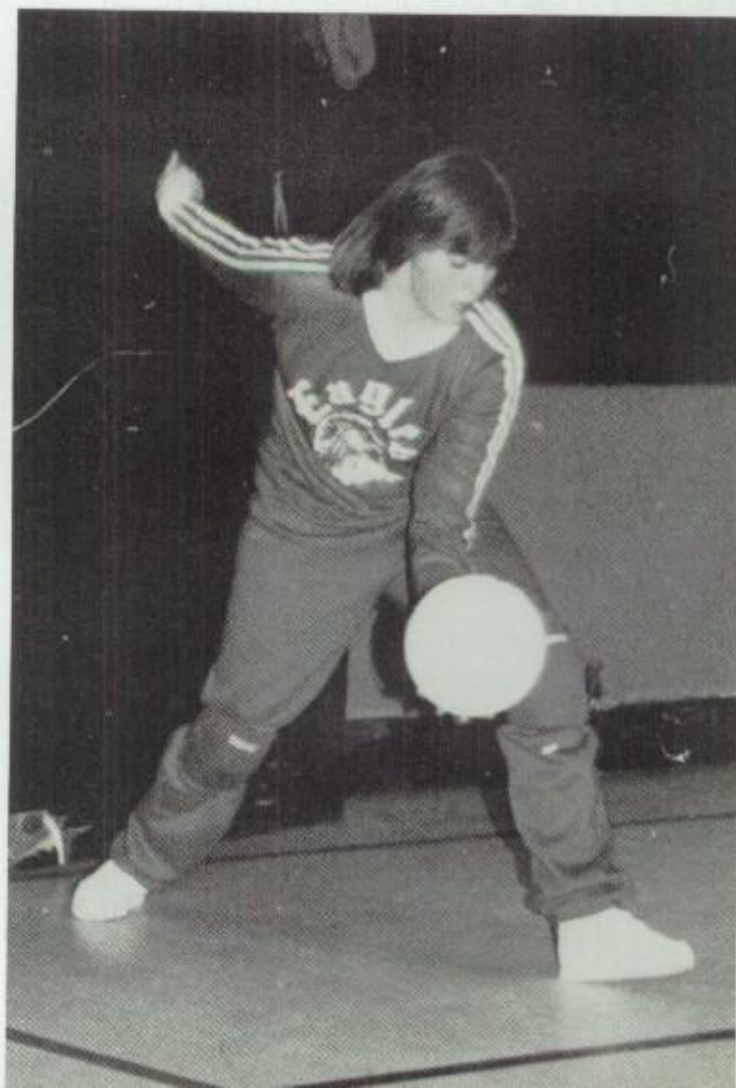

Having ball teams makes the year more exciting as the teammates learn more about each other. These students love their teachers, coach, each other, and most of all the Lord!

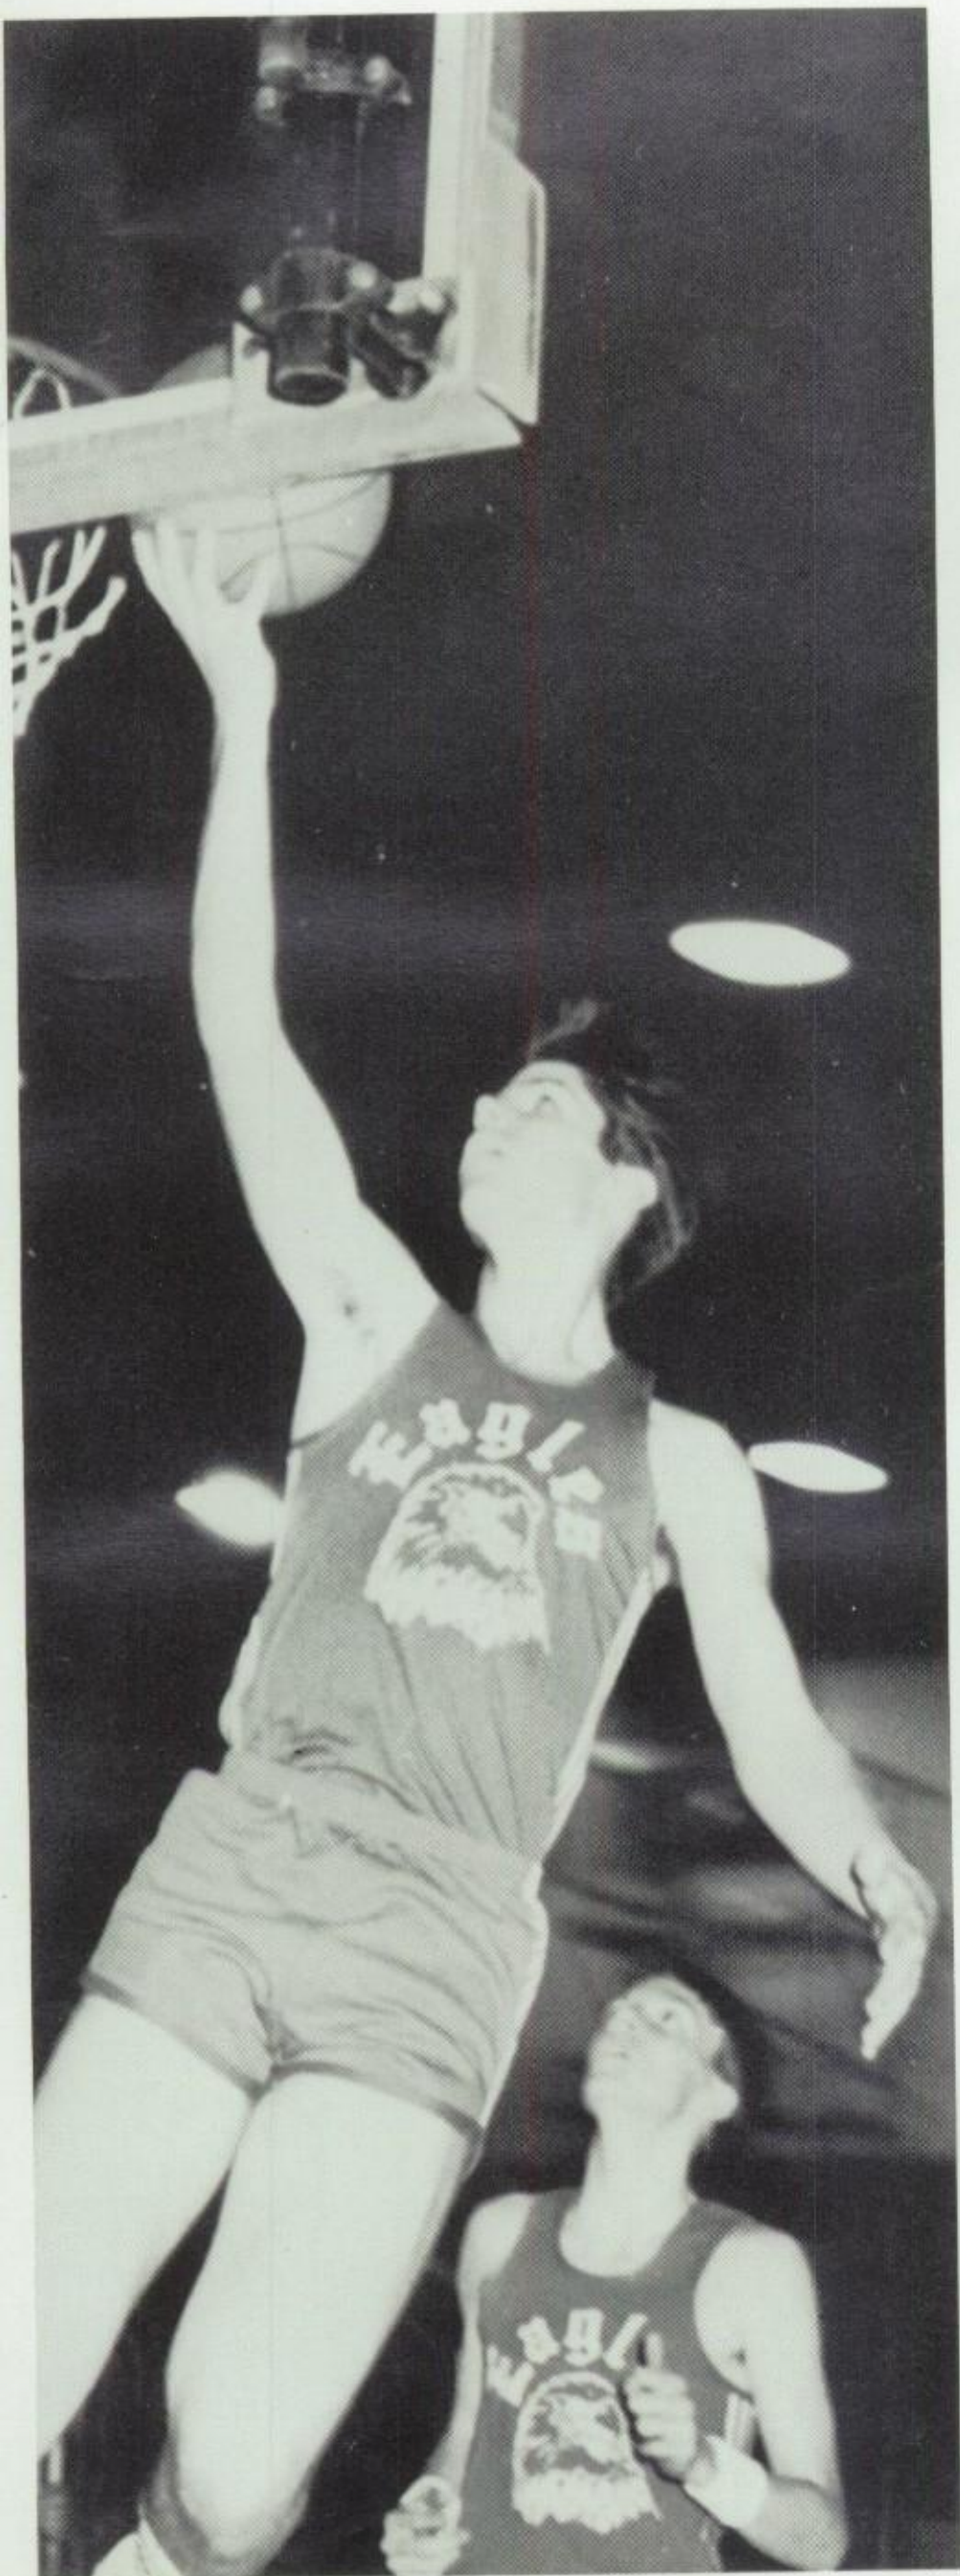

Keep these teams in prayer as they practice and grow in their walk with the Lord.

TEAM SPIRIT. Fans intently watch the game as the Eagles play to victory with a 45-20 win over MCA.

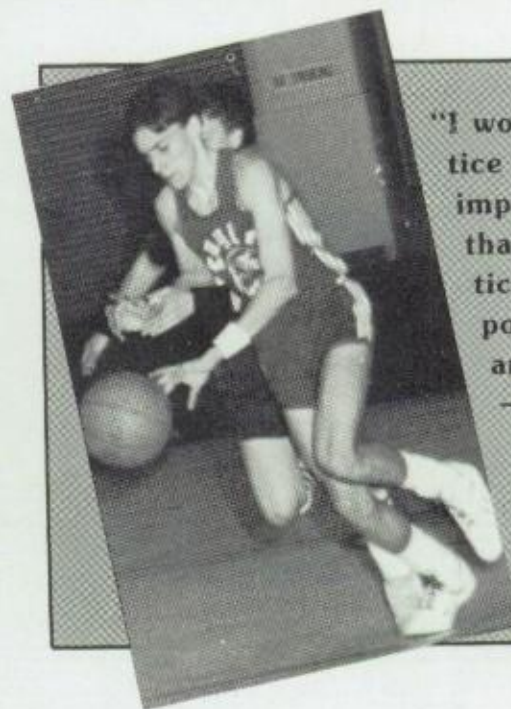

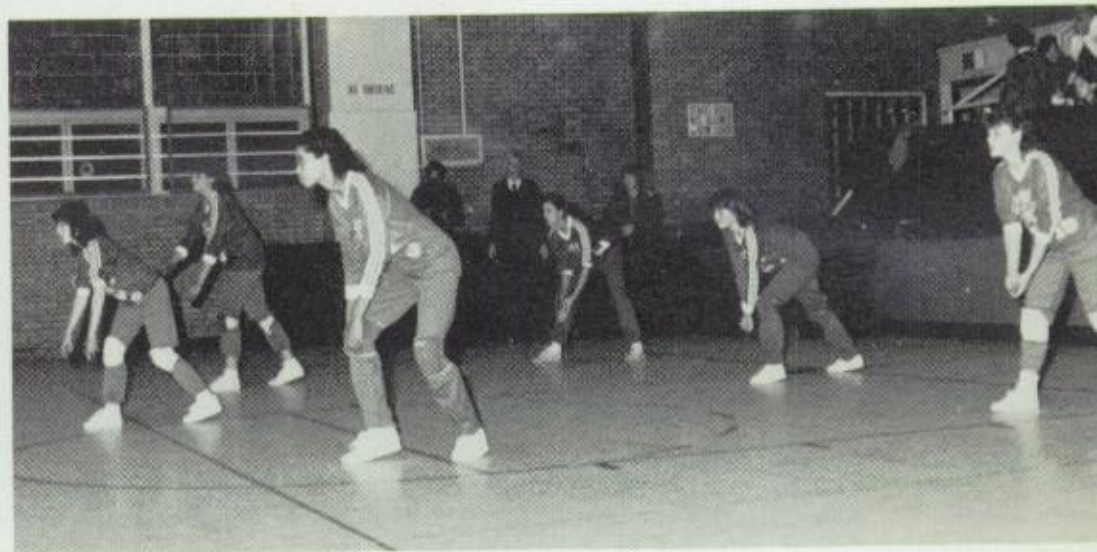

STRIVING FOR PERFECTION, Julie Scudder serves to continue a close first match against East Maine Christian Academy.

AIRBORNE, Sean Doster leaps to the hoop for two while David Muscarella watches for a possible rebound attempt.

SET AND READY, the girls volleyball team awaits the start of another game.

"I worked harder at each practice so my performance would improve for each game. I knew that if I didn't take my practice seriously, I would disappoint myself, my teammates, and Coach Adams."

Primary Learning Center

Many fun and educational activities are available to the students in the Primary Learning Center. All of these are designed to prepare these children for the future.

We have added a small computer to assist each student with his or her math skills. It gives the students experience in working on a computer while still being fun to use.

Each student in the Primary Learning Center is reading out loud each day. This is in addition to the reading machine which helps students improve on reading speed and comprehension. All of the students are encouraged to read and borrow books from the school library to further improve their reading skills.

The sound of childrens' voices warming up for Junior Choir can be heard every Wednesday. Besides the Junior Choir, there are also music classes which give the students a well-rounded curriculum in music. Truly, the Junior Choir is a way children can sing to the honor and glory of the Lord Jesus.

Preparing for the future — that is what the Primary Learning Center is all about. Preparing each student for a quality life, grounded in the Word of God.

The More The

Preschool

MERRIER!

The Preschool here at Quentin Road keeps the workers busy! Being only in its second year, it seems unbelievable that there are over 70 children enrolled.

"The growth of the preschool resulted in the need to expand into larger rooms!" exclaims the Director of the Preschool, Pastor Bill Oswald.

In addition to the expanded rooms, extra workers were added to the Preschool to keep it running smoothly.

The children love the lesson time with Mrs. Becky Oswald as their teacher. She makes learning letter sounds, vowels, consonants, numbers, and many other fundamental concepts fun for them. Singing is also enjoyed in

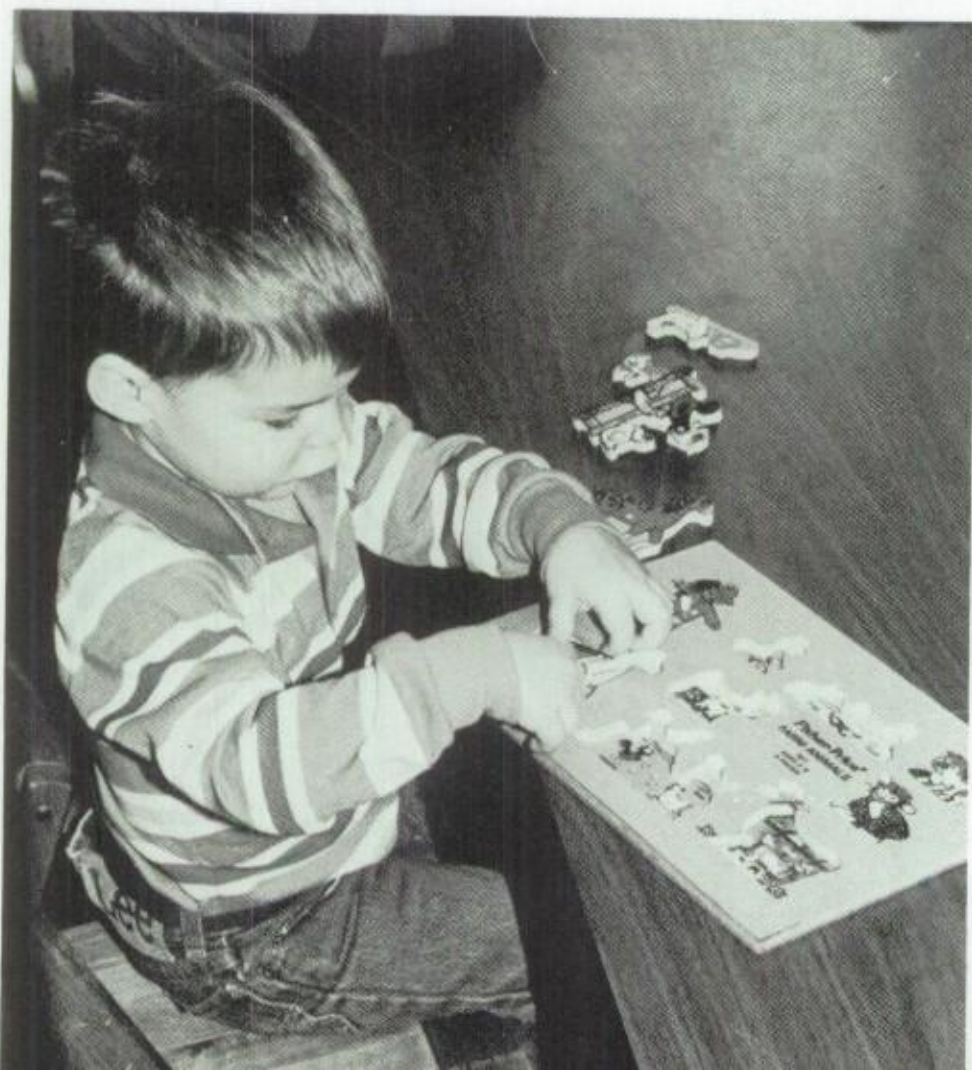

addition to making crafts, coloring papers, and seeing puppet shows.

A new addition to the Preschool Program was various pieces of playground equipment. When the brightly colored equipment arrived, there was much excitement among the children.

"When the playground equipment arrived, the children saw that the Lord really does answer prayer," said Mrs. Becky Oswald.

The nourishing meals give the children energy to complete the many fun-filled activities.

The children love Preschool. The staff sincerely cares for the children. It is a happy environment where a child is loved and nurtured for an exciting life ahead.

Glorifying God in Song

Choirs

Performing two cantatas a year as well as singing every Sunday morning during the Worship Service are responsibilities that require many hours of practice by the members of the choir. The choir is under the excellent direction of Linda Scudder. Her leadership is a key factor in the success of this ministry. In addition to directing, Mrs. Scudder also selects and organizes the pieces which are to be performed.

The Christmas cantata, "Unto Us a Son is Given", is just one example of how successful the choir has been. All the choirs combined ef-

"I always enjoy singing praises to God and making a joyful noise in Choir!" — Cindy Holler

forts to sing praises to God during the Christmas season.

It is exciting to be able to glorify God through music, but it is also an incredible responsibility. The members of the choir must be constantly aware of the fact that visitors may be present who have never heard the plan of salvation, and the song which they are singing prepares them to be receptive to the gospel.

"Having a choir is definitely a way we can honor and glorify our Lord and Saviour," explains Mark Thomas.

IN HARMONY, the High School Choir performs during a Sunday Evening Service.

ROSY CHEEKS and sparkling eyes show the earnestness of the Junior Choir.

"PERFECT NOTE, TENORS!" exclaims Mrs. Scudder as she directs the choir.

WITH HEART-FELT EARNESTNESS
Kimberly Birginal and Sara Morris sing in the Christmas Cantata, "Unto Us a Son is Given."

THE JOY OF JESUS is certainly shown by the happiness in the Junior Choir members' voices.

PERFECTED IN PRACTICE, the choir enjoys learning new arrangements to perform on Sunday morning.

High School Ranch

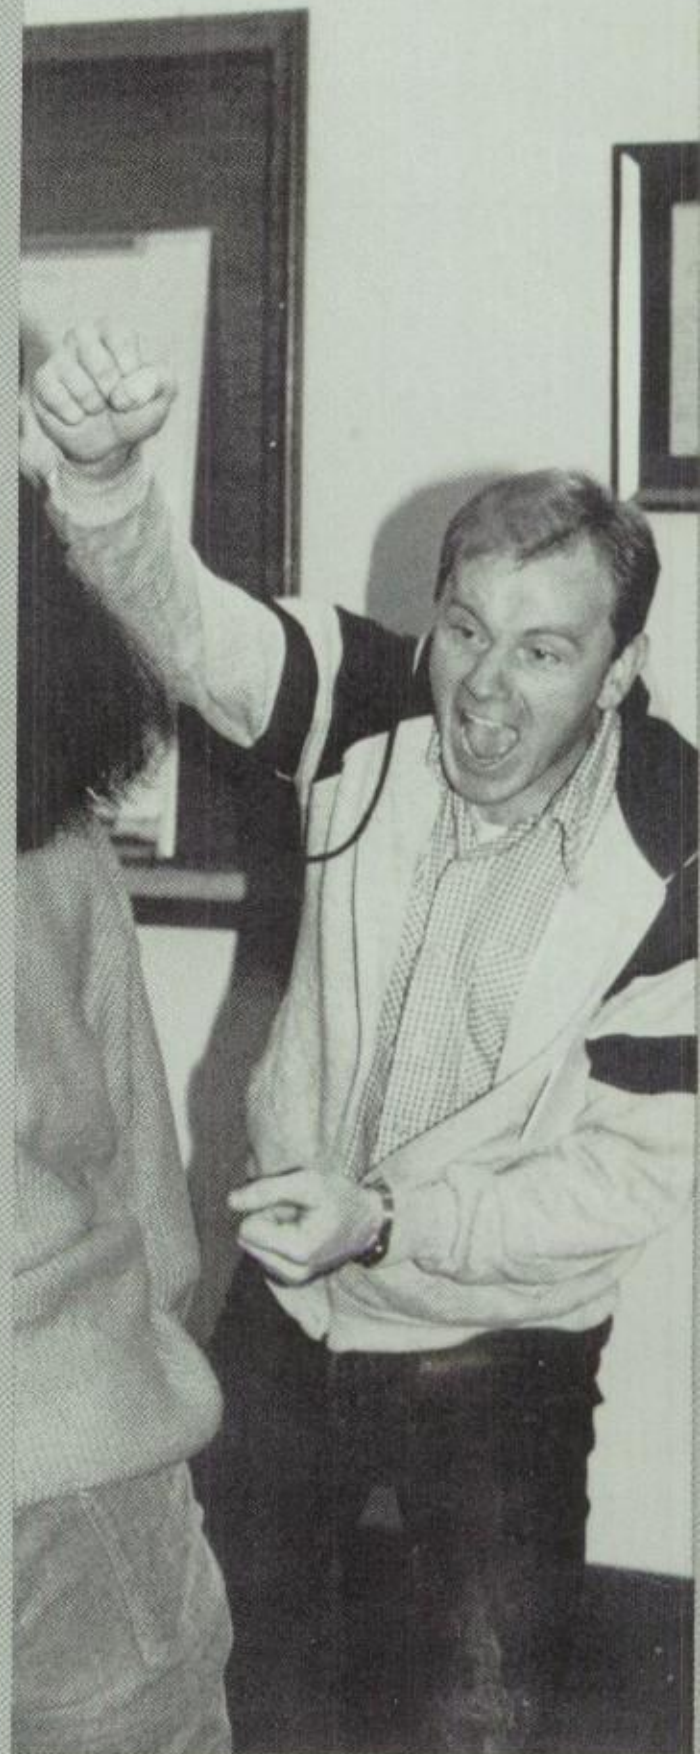

Ranch is KNOWING where you're GOING

I was being pulled into the pit of mud. The slime wrapped itself around my helpless hands as I pulled against that terrible force. The stench rose up and filled my nostrils, and I gagged when I started falling into the mud. I was ready to accept defeat, ready to say, "Forget it!"

Renewed by the cheering crowd, I yank hard on the rope. Hunching over, I pull as I've never pulled before. I feel my opponent fall into the pit of mud, and I scramble up from my ungraceful position as the crowd cheers louder and louder. My opponent is covered with mud and we look like twins. I walk over to congratulate her and our wet, slimy hands stick together. "Congratulations! That was great!" I say, "you almost had me for awhile."

Those out at High School Ranch during the tug of war over a pit of mud certainly enjoyed themselves. After getting cleaned up, the ranchers listened attentively while Pastor Adams gave one of his excellent messages. The gospel was clearly explained and many teenagers accepted Christ.

"Knowing Where You're Going" is the theme of High School Ranch. Its whole purpose is to bring neighborhood kids out to enjoy a good time while at the same time learning about the greatest news in all the world, that they can know for sure they are going to Heaven when they die. The goal of Ranch is leading many teenagers to Christ.

"ENTHUSIASM is what you need!" shouts guest speaker Pastor Raymond Cothran during a Soul-Winning Seminar. Pastor Cothran is from the Calvary Bible Church in Louisville Kentucky.

MEETING NEW PEOPLE and getting to know each other better, high school ranchers enjoy this opportunity.

SLIDING TO DEFEAT, Sophomore Dave Muscarella and his teammate are slowly being pulled into the pit of mud during "Tug of War Night" at Ranch, while Jim Scudder cheers them on.

"I'D RATHER HAVE JESUS," sings Ranch director Pastor Adams. Pastor Adams has been a tremendous encouragement to the high schoolers.

SHOUTING WITH SORE LUNGS, the high schoolers get a vocal workout during a singing contest at the Soul-Winning Seminar.

"GOOD NEWS!" sings Jr. rancher Kristin Vacko along with her leader Beth Muscarella.

FANCY FOOTWORK. John Kraus gives it his best as he attempts to win the shoe box race.

UNWILLING to give up, these ranchers go for the win.

STRUMMIN' AWAY. Jim Scudder, Dan Reehoff, Rod Holler, and Allan Hudson play the guitars and lead the singing at the beginning of each ranch night to keep the excitement going.

"HOSANNA!" shouts the Primary Ranch as they try to out-sing their Junior Ranch opponents.

JUST for the fun of it, Pastor Rod Walker often times has a special visit with his friend Rosco, whom together they are able to create an exciting and new approach to many different Bible stories and Biblical principles.

Reflections

Wilderness Camp

Perched on a rock, a camper contemplates the morning messages at Wilderness Camp. The stirring messages have caused him to trust the Lord Jesus to be his Saviour, and accept the free gift of eternal life. And so it is, at Wilderness Camp that many souls are won to Christ through the excellent messages preached straight from the Bible. This is the whole reason that so many people put in their time and efforts to make Wilderness Camp a memorable experience for all of the

campers.

The most exciting thing that everyone wanted to see was the new 40 by 100 foot building that had just been built over the summer. The large meeting room was admired with the impressive stone fireplace. There is also a large kitchen and a 2,000 gallon hot water tank, unique in that the water is heated by wood. The campers took as many showers as they wanted and there was still plenty of hot water!

On Dedication Night, many came

forward and publicly gave their lives as a "living sacrifice, holy, acceptable unto God which is your reasonable service." Romans 12:1

"The day I dedicated my life to the Lord, was one of the happiest days of my life," says Kelly Haskell.

Two weeks sure can go by fast. Camp was over, bags were packed, farewells fondly said. As always, camp was an incredible time of fun, fellowship, and Bible study. Can't wait until next year!

MAKING WAVES, Dave Muscarella and Paul Vasquez race around the water in "Fun Bugs," the latest addition to the camps' various water sports.

FINDING SOLACE on the lake front, Julie Scudder studies her memory verses.

TAKING a trip down Steamboat River, campers enjoy the beauty of Northern Minnesota.

HOOKED on fishing, counselor Dan Reehoff takes his campers out for an exciting afternoon of trolling around beautiful Steamboat Bay.

The Home Place Resort is Quentin Road Bible Church's latest acquisition to the Wilderness Camp Program. The Lord miraculously provided the opportunity for the purchase of the Home Place Resort during the Summer of '85. The Home Place Resort is located on beautiful Leech Lake, very close to many walleye and northern "hot spots".

The modern lake front cabins are completely furnished with gas stoves, refrigerators, complete bathrooms, showers, dishes, cooking utensils, and bed linens.

Some of the available activities include small game hunting, fishing, boating, swimming, and relaxing in the sauna. In addition, there are also hiking and cross-country skiing trails which are leased to us by the Chippewa National Forest.

The addition of these facilities provides family and friends with the opportunity for year-round vacationing fun!

PUTTING IT

Annual (an'yoo-el) adj. Abbr. ann. 1. Recurring, done, or performed every year; yearly. 2. of or pertaining to a year. 3. A periodical published yearly; yearbook.

Yearbook (yir'book') n. 1. A documentary, memorial or historical book published every year, containing information about the previous year. 2. A yearly record of statistical information or book published by the graduation class of a high school or college.

Well, what can I say. Another Torch is now completed and yet another year of Quentin Road Christian School and Dayspring Bible College history culminates with the presentation of a book of memories.

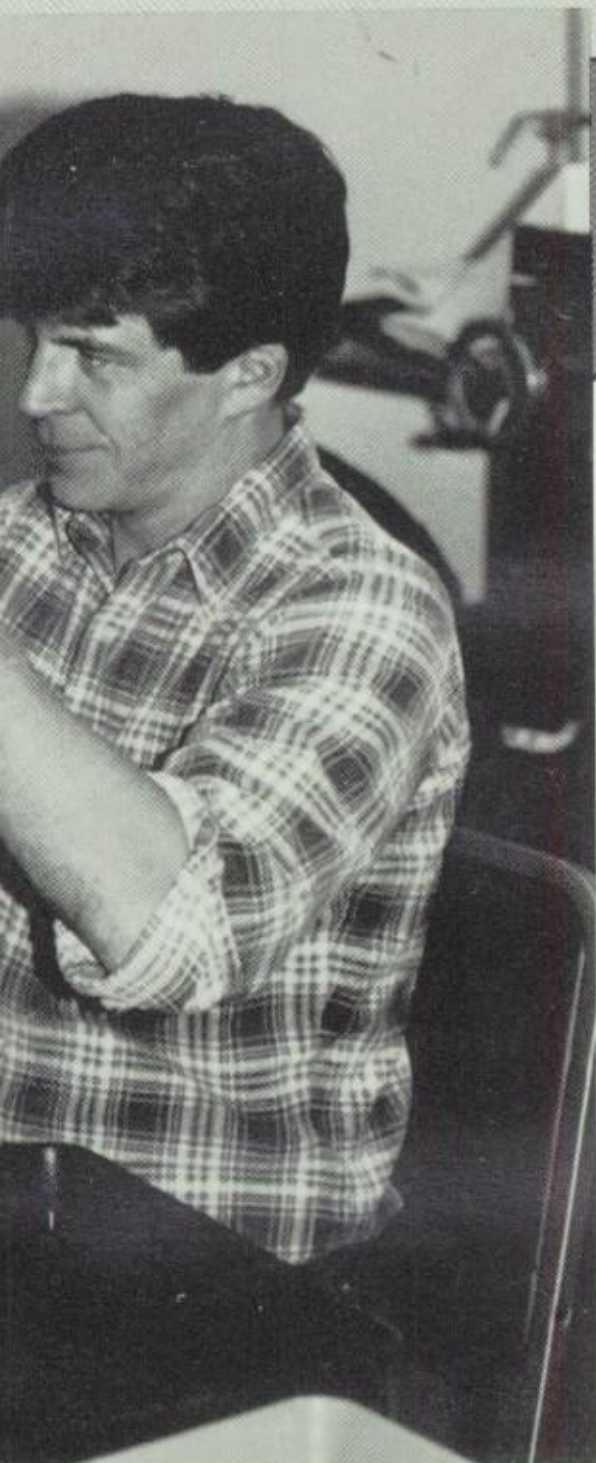

The '86-'87 school year was an overall excellent year. Many new activities and programs were started up. With so much going on, it was hard to decide exactly what we wanted to show in this year's yearbook. Yet with all of the programs that are included in this annual, it contains only a small amount of what the Quentin Road Bible Church has to offer.

As for those people who "put it all together", Dave Summer was once again "leader of the band" with the title of Advising Editor. Dan Reehoff took the position of Managing Editor with Julie Scudder acting as Copy Editor. They combined their efforts along with the help of others to bring about another excellent yearbook.

Other staff members included: Jim Costello, Joy Julian, and Bob Pryor. A very special thanks to all of you for your hard work, patience, and especially your dedication in serving the Lord.
